

Public awareness and support is crucial in helping us provide for these young adults in their transition into independent living in a way that supports their dreams and strengthens the fabric of society. This overlooked population holds much potential if given the right tools. It can make all the difference between another tragedy or a story of success.

Fundación AGC4K Allen Graham Charity 4 Kidz

**We transform the
lives of the most
vulnerable children
in Mallorca.**

ABOUT US

Since 1992 Allen Graham has helped to transform the lives of the most vulnerable children and young people in Mallorca, who through no fault of their own do not have the opportunity to develop a secure and dignified future. The Allen Graham Charity for kidz guarantees a future where they can fulfil their dreams.

Each year in Mallorca many children of all nationalities are taken into care in one of the 29 children's homes on the island.

OUR PROJECTS

Our aim is to assist the children and young people from the children's homes in Mallorca to develop life skills. They need to feel that they have a future, one that is full of opportunity, hope and happiness.

"Mig i Mig"

Our ground breaking scheme provides support for young people from local children's homes to move into our apartment, when they are too old for the care homes, or we support them through college or university. We help them to acquire social skills, further education, financial management and emotional stability.

Christmas

Every year every child in care in one of the 29 children's homes on the island of Mallorca receives a Christmas gift from The Allen Graham Charity 4 Kidz. In November, children under 14 write a letter to Santa Claus with their wishes for Christmas and receive their gifts at our incredible party in Puerto Pollensa. For young people over 14 in care homes, we organise a "The Three Kings" party in January and they all receive a gift card.

International Book Day

Every year, we participate in the International Book Day, We buy new books for all the children and young people in care, They all go with their carers to the Corte Ingles and choose a new book.

Easter eggs

Every year at Easter, thanks to our sponsors we distribute hundreds of chocolate Easter eggs to all the children in care.
